We are proud to share that JCI Colombo Central was honored with the Sen. Romesh De Silva Trophy for the Highest Participation at the National Convention during the prestigious JCI Sri Lanka Inauguration held on 19th January 2025 at the NH Collection Colombo.
A heartfelt congratulations to each and every member who contributed to this milestone your active participation continues to strengthen our chapter and inspire excellence across the movement.

GALA NIGHT

Following the inauguration, JCI Colombo Central kept the energy alive by hosting the Gala Night an unforgettable afterparty filled with laughter, music, and celebration. It was the perfect way to wrap up a momentous evening and connect with fellow Jaycees.

HOPE IN EVERY DROP

BLOOD DONATION CAMPAIGN

In the spirit of giving and saving lives, JCI Colombo Central proudly organized the "Hope in Every Drop" Blood Donation Campaign on 19th January 2025, uniting members, partners, and volunteers for a cause that truly matters.

Every drop collected was a symbol of hope, compassion, and community reminding us that small acts of kindness can make a life-changing difference. A huge thank you to the Asia Pacific Development Council for joining us and supporting our mission. Your presence added great value and made the day even more meaningful.

BUILDING BRIGHT FUTURES

Building Bright Futures was initiated from our visit to the School for the Deaf and Blind in Ratmalana, where we saw a gap in preparing visually impaired youth for the job market. In partnership with the Employers' Federation of Ceylon, we launched a targeted English and IT training program for 10 participants.

With support from generous donors, including Cherish as our refreshments partner and Dr. N. Ekanayake's family as our bronze sponsor, we've provided transport allowances and refreshments for each session.

The participants, many traveling from as far as Galle, are highly motivated. After completing six sessions on topics like greetings, small talk, report writing, CV building etc. we have only 6 more sessions to go. Our next goal is to connect these individuals with employers, bridging the gap between training and job placement. It's been inspiring to see their growth, and we look forward to supporting them on their journey to a brighter future.
